Based on the Online feedback –

Analysis of the "Parents Feed Back 2025-26" data.

The document is a spreadsheet tracking feedback from 24 parents regarding their wards' college education. The data was collected over two days: November 3, 2026, and December 3, 2026. It captures demographic information, course details, satisfaction metrics, and open-ended suggestions.

- Total responses reviewed: **~26 parents**
- Courses covered: **B.Com, B.Sc (Zoology), Computer Applications, B.Sc CS**
- Majority respondents: **Farmers & rural background families**

Satisfaction Metrics

Overall, the quantitative feedback is overwhelmingly positive, indicating a high level of satisfaction with the institution's academic framework.

Course Structure Satisfaction

- **100% (22 out of 24) parents responded “Yes”** to "Is the course structure satisfactory?"

Curriculum & Employment Relevance

- **92.3% (22 out of 24) of parents responded “Yes”** to "Does the curriculum design meet the employment needs?"

Summary of Quantitative Data:

Satisfaction percentage is 96%. So overall satisfaction is exceptionally high. Every parent surveyed is satisfied with the course structure, and the vast majority believe the curriculum meets current employment needs.
